

INSTITUTIONAL REPORT 2021-22

Institute Profile

JVM Trust was started in the year 1974 and the college started in the year 2001 by a group of enterprising visionaries with a far-reaching vision that laid a firm foundation for the institution. The college which began with a humble beginning with just 12 students, has now recorded an exponential growth and is now a full-fledged co-educational institution functioning in two shifts with 10 UG courses, 4 PG courses and a Doctor of Philosophy in Chemistry. Today we cater to more than 3000 students including degree and junior, providing holistic development.

The institute profile is as follows:

Name of the institution	Jnan Vikas Mandal's Degree College, Airoli
Year of Establishment	2001
Affiliating University	University of Mumbai
Institute Status	Linguistic Minority (Kannada)
No. of Departments	11

College Infrastructure

Our institution has an effective mechanism for maintaining its academic and support facilities. The college has three computer laboratories for the departments of Computer Science and Information Technology which are well advanced with the latest hardware and updated version of the software. The college continuously strives to provide updated ICT facilities to ensure efficient functioning.

The college has its own private State-of-the-Art Auditorium with a capacity of 300 seats. Our campus also has a well-furnished Seminar Hall to organize seminars and conferences. College also conducts activities at the center space quadrangle. Other miscellaneous infrastructure also includes Conference Room, Examination Room, Staff room with separate cubicles for each department, Girls Common Room, NSS Room, Health centre, Counselling Room, Canteen, Music Room, Sports Room, Gymnasium, IQAC room, Women Development Cell, Internal Complaint Committee and Legal cell.

The college library is equipped with ICT facilities - computers, printers, and internet. It also has a separate reading rooms for students and teachers with enough space. The library management system is partially automated and air-conditioned. All teaching and office staff make full use of computerized technology both in the administration and library. We have National Library and Information services Infrastructure for Scholarly Content (N-LIST) and Developing Library Network (DELNET) databases in library.
