### Report of the Blood Donation Camp

Date of the event : 17th February 2023

The NSS unit of JVM's Degree College, in collaboration with SION Hospital Blood Bank and the NSS cell of the University, successfully organized a blood donation camp at Thane Railway Station. The event aimed to promote the noble cause of blood donation and raise awareness about the importance of donating blood to save lives. The blood donation camp witnessed the enthusiastic participation of 35 volunteers. These individuals included students from JVM's Degree College, medical professionals from LTMG, Sion Hospital Blood Bank, and members of the NSS cell from the University.

The camp achieved remarkable success in terms of blood units collected. A total of 76 blood units were donated by the volunteers. The collected units will contribute to meeting the blood requirements of patients in need.

Before donating blood, all volunteers underwent a thorough registration and screening process to ensure their eligibility for donation. The screening included assessments of medical history, vital signs, and hemoglobin levels to ensure the safety of both the donors and the recipients.

Volunteers actively engaged with passersby, addressing queries and dispelling misconceptions regarding blood donation. All the volunteers who participated in the blood donation camp were recognized and appreciated for their selfless contribution. Certificates of appreciation were distributed to acknowledge their efforts and encourage continued participation in such noble initiatives.

The success of this blood donation camp serves as a testament to the positive impact that can be achieved through community collaboration and initiatives driven by social responsibility. It is hoped that such events will continue to be organized, fostering a culture of voluntary blood donation and ultimately saving more lives.
