Notice for Students: Industrial Visit

Date: 22-02-2023

Dear Students,

We are pleased to announce an industrial visit to Silvassa on the 11th and 12th of March 2023. This visit is organized by the college to provide you with a practical learning experience and to expose you to the workings of the industry.

The visit will be for a period of 2 days and 1 night. During this time, you will have the opportunity to visit various industries and interact with professionals in the field. The visit will be led by faculty members who will guide you throughout the trip.

The total charges for the industrial visit are Rs. 2,700, out of which the college will pay Rs. 500 and the remaining Rs. 2,200 will have to be paid by the students. The charges will cover transportation, accommodation, and meals during the visit.

We encourage all interested students to register for the visit at the earliest. The last date for registration is 04-03-2023. Please note that the number of seats is limited and will be allocated on a first-come-first-serve basis.

We hope that you will take advantage of this opportunity and benefit from the experience.

Report on Industrial Visit

Date: 11th and 12th March 2023

Introduction:

On 11th and 12th March 2023, a group of 92 students and five faculties from Science, CS & IT, and BBI & BAF departments of JVM's Degree College visited Silvassa for an industrial visit. The visit was organized to provide practical exposure to the students and to help them understand the functioning of industries in the real world.

Objective and Need:

The objective of the industrial visit includes

- To enhance the knowledge and understanding of the students about the practical aspects of the industry.
- The visit aimed to provide an opportunity for students to see the practical application of theoretical knowledge and to learn about the latest technological advancements in the industry.
- The visit also aimed to expose the students to the work culture and the challenges faced by the industry.

Visit Details:

The students and faculty members assembled at the college at 6:00 am on 11th March 2023. The bus departed from the college at 7:30 am for Silvassa. Breakfast was provided on the way at a restaurant. The group reached Silvassa at 12:30 pm and checked-in at the hotel.

Linen Industry: On the first day of the visit, the group visited Exclusive Linen Fabric Pvt. Ltd., which is a leading linen industry in Silvassa. The students got an opportunity to see the production process of linen fabric and learned about the quality control measures implemented by the company. The group first visited the Exclusive Linen Fabric Pvt. Ltd., which is one of the major industries in Silvassa. The students were given a brief presentation about the history of the industry, its production process, and the different types of linen fabrics. They were also shown the various machines used in the production process and the quality control measures in place. The students were impressed by the scale of the operation and the attention to detail that goes into producing high-quality linen products.

TALASARI DAM:- Later in the day, the group visited TALASARI DAM, which is a popular tourist attraction in Silvassa. They also got an opportunity to appreciate the scenic beauty of the dam and its surroundings.

Deer Park: The next stop was Deer Park, which is a wildlife sanctuary in Silvassa. The students were taken on a guided tour of the park and were able to see various species of deer in their natural habitat. The students were also educated on the conservation efforts in place to protect these animals and their habitats. The students appreciated the opportunity to witness wildlife up close and were able to gain a greater appreciation for the natural world.

Butterfly Garden: The final stop was the Butterfly Garden, which is a unique attraction in Silvassa. The students were amazed to see the vibrant and colorful butterflies and were given a guided tour of the garden. The students enjoyed interacting with the butterflies and taking pictures.

The visit concluded with a visit to the Swaminarayan temple, where the students learned about the temple's history and significance.

Outcome and Summary:

The industrial visit was a great success and provided valuable practical exposure to the students. The visit helped the students understand the practical application of theoretical knowledge and the latest technological advancements in the industry. The students also learned about the work culture and the challenges faced by the industry.

Conclusion:

In conclusion, the industrial visit organized by the BBI & BAF Department of JVM's Degree College was a great learning experience for the students. The visit provided an opportunity for the students to see the practical aspects of the industry and to enhance their knowledge and understanding of the industry. The college hopes to organize more such visits in the future to provide valuable practical exposure to the students.
