Report on Expert Guidance Talk on "Software Development and Implementation"

An Expert Guidance Talk on "Software Development and Implementation" was organized by the Information Technology Department on behalf of Jnan Vikas Mandal's Degree College on 1st October, 2022 under the guidance of Principal Dr. Leena Sarkar.

This event was designed for undergraduate i.e. only for third year students and postgraduate students. In this webinar Speaker Mrs. Pallavi Raut explained some useful techniques required in industry. She initially shared her experience regarding industry. She told students to focus on studies and try to clear all the doubts of practical based subjects. She also motivated our students to acquire good knowledge of programming languages and get placed in good companies.

Participation for the event was open to all and we received 29 responses from JVM's Students.

The feedback was also collected from the participants for the event and it was found that the participants really loved the session and they enjoyed it a lot.
