Minutes Of Meeting

In the meeting, Asst. Prof. Nishant Bist took the initiative to organize National Science Day 2023. He proposed to celebrate this year National Science day, to address the blind faith & superstition belief in the society.

Asst. Prof. Nishant Bist suggested to conduct this event with a theme of 'Busting myths of superstitions with science' in association with Akhil Bhartiya Andhashradha Nirmulan Samiti. And also involving UG students of our esteem college. This will help in developing students public speaking skills and also will help in building confidence in students.

Distribution of Work & responsibility:

Asst. Prof. Nishant Bist: Convenor of the event, , preparation of scripts for the students on stage, Hosting the event, making Flyer, making report and other necessary arrangements

Asst Prof. Sagar Shinde : Co-Convenor of the event, Making the PPT Slides, Making feedback form,

- Dr. Leena Sarkar – Principal

Self-styled godmen, backed by the state, political leaders and corporate houses, thrive across India by encouraging and exploiting irrational beliefs and practices in the name of religion

Minister organises frog wedding to 'appease rain gods'
Anupam Pateriya
- letters@hindustantimes.com

BHOPAL: Madhya Pradesh minister of state for woman and child development Lalita Yadav allegedly married off two frogs as part of an elaborate ritual held at a temple in Chhattarpur on Friday to appease the rain gods.

Yadav, along with other local BJP leaders, organised an 'Ashad Utsav' and during this programme a priest in her presence solemnised the marriage of frogs, which was followed by a grand feast. Hundreds had gathered to see this unique marriage.

Temple priest Acharya Brijnandan said, "The frogs' marriage and feast is a very old tradition to please the god." He is among those who believe that

Report : National Science Day, 2023

Department of Physics of J.V.M's Degree College enthusiastically celebrated National Science Day, 2023 with a theme of 'Busting myths of superstitions with science' in association with Akhil Bhartiya Andhashradha Nirmulan Samiti. Asst. Prof. Nishant Bist & Asst. Prof. Sagar Shinde were the Convenor and Co-convenor of this event. The following were the speakers of the event :

1. Dr. Prakash Dhokne [President, Akhil Bhartiya Andhashradha Nirmulan Samiti, Thane]
2. Dr. Prakash Sawant [Vice President, Akhil Bhartiya Andhashradha Nirmulann Samiti, Thane]
3. Mrs. Neeta Dubey [Woman Association, Akhil Bhartiya Andhashradha Nirmulann Samiti, Thane]
4. Ms. Harsha Goyal [Activist, Akhil Bhartiya Andhashradha Nirmulann Samiti, Thane]
5. Ms. Sanika Shetty [Activist, Akhil Bhartiya Andhashradha Nirmulann Samiti, Thane]

On the occasion of National Science day, the department of science (Physics) took a step on irradicating the fear of black magic and superstition with knowledge of science from the young minds. The event also highlighted the constitutional values and rights, which are the guiding path to a welfare society.

The above speakers have busted various myth of superstition by explaining with live demonstration of many common superstition practices. Like, lighting wick of a lamp dipped in water, making the raw rice taste sweet, and also igniting a paper without matches, etc. They scientifically proved that such magic are not more than some chemical reactions. A skit play was also performed by the student members of Akhil Bhartiya Andhashradha Nirmulan Samiti, Thane, to aware the audience of various issues and negative impacts of pursuing blind-faith.

The event was successful in its objective of creating awareness about various laws and articles against practice of superstition, and also in shaping young minds with scientific temper and rational thinking.
