Introduction:

The Department of BBI (Bachelor of Banking and Insurance) & BAF (Bachelor of Accounting and Finance) has recently conducted a bridge course for students belonging to SYBBI, SYBAF, TYBBI, and TYBAF classes. The course was conducted for a duration of 30 hours from 13-06-2022 to 18-06-2022, with separate sessions held for each class. The course was aimed at bridging the gap between the syllabus of the previous class and the current class, to ensure a smooth transition and better understanding of the subject matter.

Meaning of Bridge Course:

A bridge course is a short-term course that is conducted before the commencement of a regular course to provide students with the necessary foundation knowledge and skills required to cope with the advanced concepts taught in the regular course. A bridge course is a preparatory course that is conducted to bridge the gap between the previous academic knowledge of the students and the new course curriculum. It aims to provide a strong foundation for students to understand and cope with the new course curriculum, which may be more challenging than their previous courses.

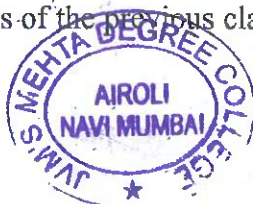

NEED:

The Department of BBI & BAF identified the need for a bridge course to ensure that the students were better equipped to handle the new syllabus. The course was designed to address the gap between the previous knowledge of the students and the new course curriculum. The course was necessary to help students understand the concepts, principles, and applications that they will be learning in the new academic year.

Objective:

The objective of the bridge course conducted by the Department of BBI & BAF was to provide students with a strong foundation and basic knowledge of the subject matter before the start of their regular classes. The course aimed to:

1. Bridge the gap between the syllabus of the previous class and the current class.

1. Bridge the gap between the syllabus of the previous class and the current class.
2. Provide a better understanding of the subject matter.
3. Ensure a smooth transition from the previous class to the current class.
4. Enhance the problem-solving skills of the students.

Outcome:

The bridge course conducted by the Department of BBI & BAF was successful in achieving its objective. The course was conducted for a duration of 30 hours, with separate sessions held for each class. A total of 207 students participated in the course, with 92 from SYBAF, 26 from SYBBI, 65 from TYBAF, and 24 from TYBBI.

All the students who participated in the course gave positive feedback, and a test was also conducted at the end of the course using Google forms. The test results showed that the students had a better understanding of the subject matter and had improved problem-solving skills.

The course was conducted for a total of 30 hours, which included lectures, interactive sessions, and practical sessions. The students were also given a test after the course, which was conducted using Google forms. The test aimed to assess the knowledge gained by the students during the course, and the results were encouraging.

Summary Report:

The bridge course conducted by the Department of BBI & BAF was successful in bridging the gap between the syllabus of the previous class and the current class. The course was conducted for a duration of 30 hours, with separate sessions held for each class. A total of 207 students participated in the course, and all the students gave positive feedback. The course helped the students to enhance their problem-solving skills and improve their understanding of the subject matter.

Conclusion:

In conclusion, the bridge course conducted by the Department of BBI & BAF was a success. The course achieved its objective of providing students with a strong foundation and basic knowledge of the subject matter before the start of their regular classes. The course helped the students to bridge the gap between the syllabus of the previous class and the current class and ensured a smooth transition. The Department of BBI & BAF can consider conducting such bridge courses in the future to provide better learning opportunities for the students.
