Report of the Event

Event Details:

Organizer: Water Management Committee of SAP

Event Date: 2nd December 2022

Participants: 106 students from BAF and BBI classes

The Quiz Competition on Water Conservation Awareness, organized by the Water Management Committee of SAP, was a dynamic and engaging event that aimed to raise awareness about the importance of water conservation among students. The event, held on 2nd December 2022, witnessed enthusiastic participation from a total of 106 students from BAF (Bachelor of Accounting and Finance) and BBI (Bachelor of Banking and Insurance) classes.

Objectives:

To enhance students' understanding of water conservation, its significance, and the environmental implications of water wastage. To engage students in an interactive learning experience that would promote the retention of knowledge and encourage them to think critically about water-related issues.

To inspire students to adopt water-saving practices in their daily lives and advocate for responsible water usage within their communities.

The quiz competition featured multiple rounds of thought-provoking questions related to water conservation, covering various aspects such as water sources, scarcity, pollution, efficient usage, and global initiatives. The questions were curated to challenge participants' knowledge while also providing valuable information to those in attendance.

The participants, divided into teams, exhibited their knowledge, quick thinking, and teamwork throughout the competition. The questions ranged from basic facts to more complex issues, fostering healthy competition and enthusiastic participation among the students.

As an incentive for active participation and excellence, prizes were awarded to the top-performing teams. Certificates of participation were also distributed to all participants to acknowledge their engagement and commitment to water conservation awareness.

The quiz competition not only provided an engaging educational experience for the students but also left a lasting impact on their understanding of water conservation. By participating in the event, the students gained a deeper appreciation for the importance of responsible water usage and learned about actionable steps they could take to contribute to water conservation efforts.

1st Winner - Prerana Parab - SYBAF
2nd Winner - Tushar Harke - TYBAF
