**BMS Department**

**Bridge Course in Management (2022-2023)**

**Course Overview:**

Good management is equal parts knowing and doing. No matter what industry you work in or where you are in your career, a basic understanding of financial, marketing and decision-making principles and other management fundamentals will help you achieve your professional goals - be it getting promoted in your current job, getting ready for a MBA program, or starting your own company.

**Objectives of the Course:**

- To build a strong foundation of the management in the minds of the students.
- To form a base of accountancy and gradually teach the students analysis and use of financial statements.
- This course addresses the management challenge of designing and implementing the best combination of marketing actions to carry out a firm's strategy in its target markets.
- This course examines managerial decision making as it relates to both the internal organization of a firm's activities and the firm's relationship with its external environment.
- This course aims to help the students develop and sharpen knowledge and skills that are essential to designing and managing organizations to elicit the best out of their human resources.

**Course Outcome:**

The expected outcome of the course is to fill the Gap between the previous and current academic year level of knowledge of the students regarding all current aspects of management, marketing, accountancy, I.T which will help them to enter the job market with more confidence and attitude. The result of the course will be calculated on the basis of a test (MCQ type) taken by the faculties at the end of the course. Students scoring more than 40% in the test will be awarded with the certificate.

**Course Duration:**

30 lectures of one hour each.

**Pedagogy:**

The subject is based on the classroom teaching and assignments. Active participation by the student is important as they are going to be involved in practical learning as case study, team projects and quiz are main pedagogy instruments.

**Assessment:**

- Ø QUIZ: The most important part of assessment is QUIZ which will be conducted at the end of the certificate course through which students can check their IQ related to the subject.
- Ø Attendance: This will help students to maintain flow in their learning concepts.
- Ø Active Participation: This will improve students' communication and alertness and will learn the practical things related to the topic

**Earn a Certificate:**

When you finish every course and complete the hands-on project, you'll earn a Certificate that you can share with prospective employers and your professional network.

## Report on Bridge Course in Management for SYBMS

Date: - 20<sup>th</sup> June, 2022

BMS department had organized a Bridge Course in Management- 30 Hrs., for SYBMS students from 13<sup>th</sup> June 2022 to 18<sup>th</sup> June 2022. The course was crafted to help the students develop and sharpen knowledge and skills that are essential to designing and managing organizations to elicit the best out of their human resources and also to fill the gap between the content which they have studied in FYBMS and the one which they will cover in SYBMS. The expected outcome of the course is the addition to the knowledge of the students regarding all current aspects of management, marketing, accountancy, I.T and communication which will help them to enter the job market with more confidence and attitude. The result of the course was calculated on the basis of a test (MCQ type) taken by the faculties at the end of the course.

Report prepared by - Asst. Prof. Divya Gautam

Report Checked by - Asst. Prof. Yogita Sawant (BMS Coordinator)

Report approved by - Dr. Leena Sarkar – Principal
