Year: 2022-2023

Training Agency: Technoserve

Program Name: Campus to Corporate Programme

Duration: 80 To 100 Hrs.

Assessment procedures year-wise: Assignments

Curriculum:

1. Employability Training and Youth Empowerment (2 months)

Personal and Professional Effectiveness - bringing out the inner confidence, goals and passions of student participants, while introducing them to key concepts in goal setting, financial planning and interpersonal skill development.

Communicative English and Interview Preparation - introducing students to the basics in professional communication, communication dos' and don'ts' as well as a conclusive guide to giving interviews and group discussion.

Introduction to Industry and Career Orientation - explores career opportunities relevant to students from commerce background and gives them the realities of the job markets. It provides students with an in-depth knowledge about different job domains as well as skill sets required to get the job, showcasing the career growth path for each role and domain.

Work Readiness - focused on addressing the gap student's face while transitioning from campus to corporate as well as inculcating a sense of professionalism in them.

Career Counselling - focused on guiding students both individually and in group settings towards career choices that will intersect between their aptitude and interest.

Employment Linkages (2 months) - we will work with your students to provide direct support for placement opportunities during and after the training program.

Helpline for placed students (1 year) - telephonic counselling services and handling queries on placements and other concern areas for trained students of the program.

Alumni engagement - engagement via social media and college meet ups for students trained by the program to share learning with peers.

Email Received:

Hello Sir,

There is a slight change in the number of students and now we have total 144 students who got selected. Sharing the list of students as well with you and we will have to make 3 batches, each batch will consist of around 50 students. So, Could you please let me know the timing and room availability to start the training.

Orientation of Technoserve program on Campus 2 Corporate (C2C), for final year (TY) Students.

Report:

Objective:

The objective of conducting the Orientation of Technoserve program on Campus 2 Corporate (C2C) for final year (TY) students training on communication skills, personality development, time management, interview preparation, and providing placement on completion of training of JVM's Mehta degree College was to equip the students with the necessary skills and knowledge required to enter the corporate world successfully. The program aimed to bridge the gap between the theoretical knowledge imparted to the students in the classroom and the practical skills required in the industry.

Need:

In today's competitive world, it is not enough to have a degree. The corporate world demands much more than academic excellence. The students need to have a proper understanding of the industry and the necessary skills to succeed in it. The Orientation of Technoserve program on Campus 2 Corporate (C2C) was conducted to fulfil this need and provide the students with an edge over their peers.

Outcome:

The Orientation of Technoserve program on Campus 2 Corporate (C2C) was conducted on 6th August 2022, at room no T-2 Third Floor at 11.00 am, with a total of 144 students in attendance. The program was conducted by experts in the field of communication skills, personality development, time management, and interview preparation. The program was a great success, and the students gained valuable insights and skills that will be beneficial to them in their future careers. The program covered topics such as effective communication, body language, resume building, and interview

skills. The experts also conducted mock interviews and provided personalized feedback to the students. The program concluded with a placement drive, and many students were offered jobs on the spot.

Due to the delay in Exam schedule of final year students from University of Mumbai, Most of the students took drop from the course and only 3 students successfully completed the course.
