Action Taken report on Students Feedback Analysis 2022-2023

Based on the feedback received from students for the academic year 2022-23, the significant percentage of students expressed satisfaction with the relevance of the courses, content revision intervals, completion of the syllabus in time, and guidance for academic excellence and personality development. Efforts have also been made to align curriculum content with industry requirements. These actions reflect a commitment to continuously enhance the overall educational quality and the holistic development of students.

Action Taken report on Teachers' Feedback Analysis 2022-2023

In response to the Teachers' Feedback Analysis for the academic year 2022-2023, it is evident that the teachers have generally expressed satisfaction with the course content, curriculum objectives, reference materials, and their impact on student learning. Teachers appreciate the curriculum's balance between theory and application, well-defined objectives, relevant reference materials, and alignment with student needs. Furthermore, the curriculum's emphasis on self-learning habits and skill development has garnered positive feedback. Faculty members also feel that their opinions are considered during curriculum revision. These positive feedback trends reflect the overall effectiveness of our teaching methods and curriculum design.

Action Taken report on - Alumni Feedback Analysis 2022-2023

We have implemented several improvements to the curriculum in response to input from alumni for the 2022-2023 academic year. These include reviewing citizenship programmes, strengthening career counseling services, expanding co-curricular and extracurricular activities for holistic development, continuing to provide training and resources for leadership, entrepreneurial qualities, competitive exam preparation, and grooming successful professionals. They also include maintaining and improving the quality of teaching and learning through faculty development and innovative methods. To guarantee continued assistance and involvement, we are also improving alumni engagement tactics. All of these efforts are intended to maintain the high standards of our institution and have a beneficial effect on the academic and personal growth of our students.

Action Taken report on Employers Feedback on Curriculum 2022-2023

The feedback received on the 2022-2023 curriculum from employers indicates overall positive response. Employers find the curriculum relevant to employability, effective in developing innovative thinking, and conducive to skill-oriented human resources development. They also consider the curriculum need-based and effective for entrepreneurship development. This feedback underscores the curriculum's alignment with industry needs and its value in preparing students for the workforce while fostering innovation and entrepreneurship.
