Report of Safe Rider Training Session

On October 28, 2023, our NSS Unit, in collaboration with United Way, organized a Helmet 4Life Training Session aimed at promoting road safety awareness among students. The session focused on educating participants about the importance of wearing helmets while riding two-wheelers and adhering to traffic rules to prevent accidents and ensure personal safety.

The Helmet 4Life Training Session served as a valuable platform for disseminating crucial road safety information and instilling a sense of responsibility among students. Through education, awareness, and proactive initiatives such as free helmet distribution, we aim to contribute towards creating a safer environment on the roads. By providing free helmets to licensed students, the initiative promoted responsible behavior and encouraged compliance with safety measures while riding two-wheelers.

The collaborative effort between the NSS Unit and United Way fostered community engagement and underscored the significance of collective action in promoting road safety.

53 NSS volunteers participated in the event. Total 66 students from the college were provided with the Helmets at free of cost.
