### Report

### Report on "Notebook Making and Distribution"

To contribute to environmental sustainability and to help needy students in nearby areas, all volunteers were asked to make handmade Notebooks using leftover pages of their Notebooks. They submitted all Notebooks to the NSS cell before 20<sup>th</sup> December, 2023 and distributed those notebooks on 24<sup>th</sup> December, 2023 in nearby areas of Airoli.

The NSS Unit of college organized a noteworthy event on the auspicious occasion of 25th December 2023. The event aimed to contribute to the education and well-being of especially abled students by distributing notebooks meticulously crafted from waste loose sheets.

Volunteers dedicated their time and effort to transform unused sheets into meaningful tools for education. Their dedication and commitment exemplified the spirit of service ingrained within the NSS Unit.

The distribution took place at Sanjeevan deep School, a nurturing space for specially abled students. The notebooks were received with gratitude and enthusiasm by the students, who understood the value of education in shaping their futures. Total 115 students participated in preparing the notebooks and 32 students were distributed the notebooks in school.
