Report of the Event

Name of the activity: Cleanliness drive under Swatchhata Abhiyan
(Dustbin making and Distribution)

Date of the activity: 4-10-2023

On the 4th of October 2023, a significant cleanliness drive was conducted on the premises of the college, facilitated by 67 dedicated volunteers. The focal point of this initiative was the creation and distribution of handmade dustbins, with the aim of instilling a culture of cleanliness and responsibility among the student body.

The volunteers fervently crafted the dustbins, each a testament to their commitment to fostering a cleaner environment within the college. These handmade receptacles were then strategically placed in every classroom across the campus, ensuring convenient access for all students and faculty members.

Moreover, the volunteers actively engaged with the student populace, imparting knowledge on the importance of cleanliness through interactive sessions held in each class. Through these discussions, students were sensitized to the impact of their actions on the overall cleanliness and hygiene of the college environment.

The provision of dustbins in every classroom not only serves as a practical solution for waste management but also symbolizes a collective effort towards maintaining a clean and tidy campus. It encourages individuals to take ownership of their surroundings and actively contribute to its upkeep.

In summary, the cleanliness drive organized on the 4th of October 2023 stands as a testament to the collaborative spirit and commitment to environmental stewardship within the college community. Through the concerted efforts of volunteers and the active participation of students, the drive has laid a strong foundation for a cleaner and healthier campus environment.
