**Training Methodology:**

Anudip's digital livelihoods program follows a technology-driven, blended learning methodology that has evolved based on employer and student feedback, team evaluation, and impact studies conducted externally and internally. Anudip team continuously tries to align with changing job markets, digital trends, employer demand, and the state of the training technology worldwide. Anudip utilizes its multimedia and game-based learning programs which allows them to retain the learnings more effectively. This Project was Sponsored by **Capgemini and implemented by the Anudip Foundation**. After completing training Students will get a chance to place with MNC. Anudip Foundation will Provide 100% Placement Assistance.

**Curriculum:**

The sector-specific job-oriented skills require a special curriculum built to enhance students' employability skills. Anudip's curriculum team works on developing and adding new components to the customized curriculum based on the market demand and job requirements.

The following module would be included in the course curriculum:

1. **Data Analytics (DANLC). [320 Hrs.] Approx.**
2. **Certificate program in IT & English Communication.**

**Class Schedule:**

Anudip would impart training to each batch of students as per as mutual consent. The total training period for each batch of students would be according to the course opted for by the student

**Beneficiaries' Profile:**

The minimum age for the target group is 18 years and the maximum age is 25 years. The minimum educational qualification is appearing as an engineering student and graduating in the final year.

**Termination:**

Either party may terminate this Memorandum of Understanding by giving 30 days prior notice.
