 In the Institute internship program, faculty members are expected to be mentors for students.

Do you feel that your faculty coordinator served such a function? Why or why not?

> Yes because they teach us how to do work effectively

- How well were you able to accomplish the initial goals, tasks and new skills that were set down in your learning contract? In what ways were you able to take a new direction or expand beyond your contract? Why were some goals not accomplished adequately?
 - I and my subordinator both were engaged in the work as I was new to it so it was hard
 For that's why some time made mistake also not able to complete some goal properly
- In what areas did you most develop and improve?
 - Typing , accounts, work life experience
- What has been the most significant accomplishment or satisfying moment of your internship?
 - > Supervisor and all other member were very friendly and supporting in nature
- What did you dislike about the internship?
 - nothing
- Considering your overall experience, how would you rate this internship? (Circle one).
 -Satisfactory/ Good/ Excellent
- Give suggestions as to how your internship experience could have been improved. (Could you have handled added responsibility? Would you have liked more discussions with your professor concerning your internship? Was closer supervision needed? Was more of an orientation required?)
