Date: 8th September 2023

About: HIV/AIDS Awareness Session

REPORT:

The Red Ribbon Club of Jnan Vikas Mandal's Degree College organized a session on 'HIV/AIDS Awareness' on 8th September 2023 in the college Seminar hall for the students.

Many people who are living with HIV have no obvious signs or symptoms. The only way of knowing if you have the virus is by taking an HIV test. It's important not to delay seeking advice and taking this test if you feel you have been at risk. There is an urgent and increasing necessity to educate people to be attentive about infection and inequalities, and be aware of the services offered to overcome them.

Mrs. Shubhada Gurav, ICTC Counsellor, Mumbai District AIDS control Society, BMC Hospital, Bhandup was the Expert Speaker for this session. She enlightened students about real-time cases he encountered in the last 15 yrs.

The event was successfully organized and conducted under the able guidance of the Principal Dr. Mrs. Leena Sarkar by Red Ribbon Club Coordinator Asst. Prof. Riyu Haldankar with the help of Red Ribbon Club members.

The session gave valuable input to the students, as a future Responsible Citizen should be educated with respect to HIV/AIDS. In order to help them to be in such a state, students were provided reliable and exhaustive information, which they could access without much effort and expense. 62 students from SYBMS, SYBSc IT & SYBSc CS had attended the event.

To summarize, the HIV/AIDS Awareness Session was a huge success.
