Report of Human Rights Awareness Session

14th December, 2023

The Department of Lifelong Learning and Extension of Jnan Vikas Mandal's Degree College organized a session on 'Human Rights Awareness' on 13th December, 2023 in the college Seminar hall for the students.

Human rights awareness is important for creating a culture of human rights. People can't protect their rights or seek redressal when they are violated if they aren't aware of them. Human rights education promotes values, beliefs, and attitudes that encourage all individuals to uphold their own rights and those of others.

Advocate Swati Deshpande was the Guest Speaker for this session. She enlightened students about real-time cases she encountered relating to Human rights violations.

The event was successfully organized and conducted under the able guidance of the I/c. Principal Dr. B. R. Deshpande by DLLE Coordinator Asst. Prof. Riyu Haldankar with the help of members.

The session gave valuable input to the students, as a future Responsible Citizen should be educated with respect to Human rights. In order to help them to be in such a state, students were provided reliable and exhaustive information, which they could access without much effort and expense. 40 students had attended the event.

To summarize, the Human rights Awareness Session was a huge success.
