### Report on RBI VISIT

Date of activity: 9<sup>th</sup> September, 2023

To gain a broader perspective of the classroom learning the department of commerce organised a study tour for the Commerce students on 9<sup>th</sup> September, 2023. For the visiting students were taken to RBI MUSEUM, Chatrapati Shivaji Museum, and Nehru science center.

Total 86 students have enthusiastically participated in this activity. The study tour organised for the students with the objective of comprehensive understanding of the classroom learning and to give hands –on – learning experience for the students to enhance their practical knowledge as well as their academic performance. The monetary museum visit helped students to explore new things and they have witnessed the journey of currency evolution in India. The curator had given explanation of each item which is used to exchange to get goods in the Indian ancient economy. Along with the explanation in the RBI museum 30 minutes presentation was also shown, it has helped students to get proper knowledge of the monetary system its evolution. CST museum visit helped our students to understand our tradition and culture. Students were also taken to the Nehru science center to make them aware of basic science which we deal in day to day life.

The study tour was experiential learning for our students it has given them an opportunity to learn new things and also helped them to enrich their curriculum.

Report prepared by: Asst.Prof.Prema Bardhan (Organiser)
