BMS DEPARTMENT

A Report on The Industrial Visit to Jaipur - Jaisalmer for the Academic Year 2023-24.

DATE	ACTIVITY	ORGANIZED BY	PARTICIPANTS	IMPACT FACTOR
08/01/2024 - 13/01/2024	Industrial Visit	JVM's Mehta Degree College, BMS Department.	BMS: FY, SY and TY Students	To inculcate practical knowledge in students by showing them how work is carried out in actual industry.

BMS Department of JVM's Degree College had organized a Six Nights and Seven Days Industrial Visit From 08th January 2024 – 13th January 2024 to Jaipur - Jaisalmer for the students of First, Second and Third Year of BMS. Total 129 students from all BMS enrolled themselves for the Industrial Visit. The Visit was guided by the Coordinator of BMS Department Asst. Prof. Yogita Sawant and Core faculty members of BMS Department. Asst. Prof. Navaj Mulani, Asst. Prof. Riyu Haldankar and Asst. Prof. Tejas Risbood. The main purpose behind organizing this Industrial Visit was to give the students first hand practical knowledge of how the various functions are carried out in industry. This will help the students to relate their theoretical subject knowledge with the actual working environment of the industry and gain valuable insights through observation and through experience shared by the industry employees.

The overall schedule of the Industrial visit was as Follows:

Shree Ganeshaya Namah

The first Industrial visit was in 'Saras Dairy' in Jaipur that was very well designed and coordinated. Students were divided in three groups according to their class (FY, SY and TY) and were accompanied by a faculty member of BMS. All the students together were escorted by Mr. Kundan, the tour Manager of Industrial Visit. Within the Dairy, the employees were present at every work area to explain the working of the various machines and how the work of machines and equipments is interrelated. Students were also explained how highest hygiene standards are maintained while working in the factory. Students were happy with the overall visit to the factory.

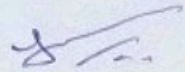

Further, we proceeded to visit another factory which belongs to a totally different industry. This time it was a newspaper printing press named 'Dainik Bhaskar'. Again, the students were formed in groups and escorted according to the previous factory. The students were explained step-by-step starting from how the paper is brought in factory till the time the newspaper is printed and ready for circulation. The students were also explained how the news and advertisements are printed according to allotted slots in the newspaper. A short demonstration was given by rolling out a piece of paper through machine so that students can observe and learn the process more effectively.

The entire setup of both the factories was professionally managed with utmost discipline. The purpose of this visit was achieved successfully. The students were enthusiastic to learn whatever they can gain knowledge through inputs from industry employees. The employees at the industries and were also equally happy to share their knowledge and to see students learning from their experience. This resulted in a very fun-filled and knowledgeable Industrial Visit for all the students.
