Entrepreneurship Session Report

The Entrepreneurship Cell of JVM's Mehta Degree College, Airoli, has organized a session on Entrepreneurship Development on 17th February 2024, from 10:00 a.m. onwards in the Seminar Hall of the JVM's Campus. 114 students have participated in this insightful session. The objective of the workshop was to provide a platform for developing innovation skills and zeal among the students to have their own start-ups.

Asst. Prof. Dr. Sunitha Joshi had introduced the session expert, Mr. Shridhar Huligol. Seasoned business professional who held senior management positions at several leading organizations over a twenty-four-year career. The session proceeded with a brief introduction to entrepreneurship later he gave insight to the participants about the various stages involved in setting up an enterprise and the statutory compliances to be adhered to for setting up a business. He displayed some templates for those documents. He gave insight on formal agreements, GST certification, and LLP. Mr. Shridhar Huligol also focused on different types of legal issues, including funding agents.

Shri. Shridhar Huligol addressed various opportunities for students in entrepreneurship development such as freelancing, web designing, affiliated marketing, financial analyst, company secretary, drop shipping, event management, social media management, innovating a product, sales, cloud kitchen, tutoring, cost accountant, and many more. He later added that there is a lot of untapped potential in India and specified the areas. His concluding remarks noted that investors will show interest in investing money in the business if that idea has potential and can be sustained and scaled up in the future.

Shri. Shridhar Huligol also explained the current scenario of entrepreneurship in India. Followed by the different stages of startups and entrepreneurship, how entrepreneurs feel and behave in different stages, and what skills are required to pursue entrepreneurship. The speaker had imparted to the learners a thorough insight into the various aspects of enterprise creation, technical know-how, credit sources, marketing of products, and changing market trends in a global scenario. The participants will be able to understand the concepts of entrepreneurship education, identification and selection of projects, business plan preparation, marketing techniques, credit linkage, and setting up their own enterprise so as to run their business successfully. Shridhar Huligol also gave a briefing on the government support scheme, which also includes additional benefits of being an entrepreneur.

Lastly, Shridhar Huligol concluded the session with different schemes and funding for students and startups. The overall session was very informative and interactive.
