**Report on poster making event Organizers:**

The Swachhta Action Plan (Water Management Committee) organized a Poster Making Event on the theme "Save Water" on 9th December 2023. The primary goal of the event was to raise awareness among students about the importance of water conservation, its judicious use, and the need to minimize water wastage.

The event provided a platform for students to showcase their creativity and express their understanding of water conservation through art. The theme encouraged students to think deeply about the current challenges related to water scarcity and solutions for sustainable water management.

**Event Details:**

Organized by: Swachhta Action Plan (Water Management Committee)

Date: 9th December 2023

Venue: College Premises

**Organizers:**

Asst. Prof. Kishor Chauhan

Asst. Prof. Seema Chaudhary

**Participation:**

A total of 13 students participated in the event and submitted visually appealing and thought-provoking posters. Each poster reflected the students' unique perspectives on water conservation and its critical role in sustaining life on Earth.

### Outcome of the Event:

- 1. Awareness Creation:** The event successfully created awareness among participants and the wider student community about the importance of saving water and reducing wastage.
- 2. Enhanced Creativity and Engagement:** Students demonstrated their creativity and problem-solving skills through their artistic expressions.
- 3. Ripple Effect of Learning:** The displayed posters sparked discussions among peers and faculty members, encouraging more individuals to adopt water-saving practices in their daily lives.
- 4. Commitment to Conservation:** The event inspired students to take small yet impactful steps towards conserving water, both at the individual and community levels.

The event concluded with positive feedback from both participants and the organizers. It was a meaningful initiative to instill a sense of responsibility towards water conservation among the younger generation.
