4	14 <sup>th</sup> Dec.2023	Analytical chemistry	Asst.Prof. Mrs. Sandhya Patil

#### **Chemistry Day Celebration:**

It was decided to celebrate Chemistry Day event on 15<sup>th</sup> Dec.2023 as we will not be able to organize as per academic calendar as we will have M.sc. Part 1 Sem -1 internal examination.

Events finalised are:

- 1.Chem-Rangoli
- 2.Chem-Quiz
- 3.Funny mnemonic on Periodic Table

As per the discussion made with all the committee members under the guidance of H.O.D. Convener of this event is Dr. Shweta Rathore.

To organize the event smoothly and effectively, various duties were allocated among faculty members.

## Report of Chemistry Day Celebration

Department of Chemistry had organized various competition to celebrate Chemistry Day on 15<sup>th</sup> Dec. 2023. Students from Degree & Junior College had participated in all the competitions. This event's primary goals were to raise awareness of and interest in chemistry among students, as well as to teach them the subject in a pleasant way, improve their confidence and provide them with a platform to display their skills. The event was organized by Asst. Prof. Dr. Shweta Rathore under the guidance of HOD Science Dr. Leena Sarkar & IC Principal Dr.B.R.Deshpande.

IC Principal Dr.B.R.Deshpande & Dr. Leena Sarkar had personally seen all the competitions and also encouraged students to participate in other events as well. From Degree College 43 & from Junior College 33 students participated in the competitions. Total number of students benefitted is 80. All winner received trophies & certificates & participants received e-certificate.

### 5) What did you learn from the events?

- So many things
- New things
- We have to participate in all events
- Some basic chemistry
- Getting knowledge
- I learned the importance of resilience and adaptability in the face of adversity.
- Experience was good
- How to express your skills fluently and overall events was very amazing and beautiful
- We should participate and learn something new and improve our skills.
- Memory
- Must participate
- To study chem and clear basics
- Coordination
- Most of interesting things
- Be focused
- .....
- Improvement
- New ideas
- sportmanship, patience
- exllent
- To perform and outshine our creative skills
- I was an oppportunity to enhance and show my skills.
- Apart from studies this types of events are important too
- Not only study but events are also important
- ..
- Enjoy
- Team work
- Exciting

- It was very eventful and people around me were constantly smiling and happy about something it made me feel at peace and even if I don't participate seeing people smile is also enough
- Nothing
- New things and New experience achieved
- Very Engaging and Informative
- Participating in competition is the first step to victory
- The experience was too good
- Science is very nice 👍
- Learn so many things
- Experience Confidence
- Some basic
- Enjoyment 😊
- To Participate in all Exhibition to get experience
- I have learn so many things in this events either we fail to win or win but we have to keep try
- The events were very nice fun and helping in future also
- I really enjoy the chemistry day
- It's fun to take part in competitions
- Events develop our skills
- Good Creative knowledge
- I got more knowledge about chemistry tools
- Good
- I learned hardwork, team work & coordination..
- I learned a lot from this event. I learned how to think quickly and answer the question. This event helped me to boost my confidence. Overall, this Event was Awesome.
- Formulas learn in chemistry

The hope for the purpose of the day was to offer opportunities for the public to learn more about the importance of chemistry in everyday life.

Sab kuch 😊👍👍👍👍👍

You should try every new new things in your life!

How to get fun with learning

Represent the happiness
