Sub.: Career Awareness Program

Respected Sir/Madam,

Greetings from Navi Mumbai Chapter of WIRC of ICSI.
Please refer our discussion at your good office.

In today's world there is a huge demand of good professionals who can cope with the challenges of the competitive environment.

A Company Secretary (CS) is the vital link between the company, its board of directors, shareholders, government and other agencies. A Company Secretary (CS) plays a vital role in company's future and coordinates the management functions and Company policies.

The Institute of Company Secretaries of India (ICSI) fulfills this gap by producing good professionals who have the integrated knowledge of multiple disciplines of law, finance and corporate governance. The ICSI is a premier national professional body established under an act of parliament

(The Company Secretaries Act, 1980) to regulate and develop the profession of Company Secretaries in India. The Institute is functioning under the administrative jurisdiction of Ministry of Corporate Affairs, Government of India, having its headquarters at New Delhi. It has four Regional Councils, 72 Chapters, more than 3 lacs students and over 65000 members spread throughout the length and breadth of the country.

The CS course can be pursued by any student of commerce/arts/science stream after passing class twelfth examinations except fine arts students.

We would request you to allow us to conduct an online/virtual Career Awareness Program on Company Secretary Course in your school for students. The basic purpose of the Career Awareness Program is to create awareness among the students about Company Secretary Course, role of Company Secretary, future prospects of the profession and career as a Company Secretary after passing the course. **The expected duration of the program would be of one hour and the audience would be class 11th and 12th students. The program will be conducted by the Institute free of cost.**

In this connection, we wish to inform you that officials of our institute will be conducting the Career Awareness Program for your School on the mutually agreed date & time.

For further information/clarification, if any, please feel free to contact Ms Usha Sonavane (EA) & Mr. Aftab on any working day between 10:00am to 04:30pm, please. 022-49727816)
