WHAT IS BUSINESS MANAGEMENT SIMULATION?

Management Simulation is a Computer based event that simulates a Business Scenario. It creates an opportunity for the participants to manage a business with multiple functional areas. They get to experience active competition and the perspective to handle it. They take strategic business decisions and see the impact through AIMA's indigenously developed software 'CHANAKYA'. The essence of Management Simulation is 'Learning by Doing'.

SKILLS TO ENHANCE

- Experiential Learning
- Risk- Free Environment
- Decision Making Skills
- Strategic Planning
- Team Collaboration
- Time Management
- Motivation and Engagement
- Leadership Development
- Decision Making
- Real World Application
- Analytical Skills
- Feedback and Analysis

Report of Workshop on Student Management Games (SMG 2023)

Date: 08th August, 2023

Pillai Institute of Management Studies and Research along with JVM Mehta Degree College had organised a Workshop on Student Management Games (SMG 2023) on 9th August 2023 at 9:00 AM to 12:00 PM. The objective of this workshop was to give an opportunity to the participants to manage a business with multiple functional areas and learn strategic decision making which is a core area in any form of business. For this, a software 'Chanakya' developed by AIMA was taught to students. It is a computer based management simulation game that stimulates a business scenario. Students will experience active competition and perspective to handle the business. The various functional areas on which the competition was held were Research and Development, Finance, Operations, Manpower, Product Design and Marketing Mix. Later on, the students were made to work in a team and they had to make strategic decisions for every quarter of the year. Every decision resulted in profit and loss in the next quarter of the year. Various skills such as decision making skills, strategic planning, team collaboration, time management, motivation and engagement etc were enhanced while playing the management games. Overall, this workshop witnessed huge participation of students and was successful in fulfilling the purpose to conduct the workshop.
