ONEINSURE Campus Placement Drive at JVM's Mehta Degree College Report

Date: 18-08-2023

Objective:

The primary objective of the ONEINSURE campus placement drive, organized by the Placement Cell of JVM's Mehta Degree College, Airoli, was to provide students from the **TY batches of 2020-21, 2021-22, and 2022-23** with an opportunity to secure placements in a reputable and growing insurance company. The drive aimed to bridge the gap between academia and industry, allowing students to showcase their skills and knowledge in a practical setting.

Outcome:

The ONEINSURE campus placement drive witnessed active participation from students of three different academic years. A total of 94 students registered for the drive, reflecting the interest and enthusiasm among the students for the placement opportunity. Out of these registered students, 8 candidates attended the campus drive. The drive resulted in the selection of a number of students who displayed exceptional skills and suitability for roles within the insurance industry.

Need:

The need for such campus placement drives is evident in the current education system, where students often face challenges when transitioning from academics to the professional world. Campus placement drives serve as a crucial bridge that connects students with prospective employers. The ONEINSURE campus placement drive specifically addressed the need to provide students with direct exposure to job opportunities in the insurance sector, a field that has been rapidly evolving and expanding.

Summary:

The ONEINSURE campus placement drive, hosted by the Placement Cell of JVM's Mehta Degree College, Airoli, aimed to align academic excellence with industry demands. Students from the TY batches of 2020-21, 2021-22, and 2022-23 were given the chance to participate in the drive, with the objective of securing placements in ONEINSURE, an esteemed insurance company. The event witnessed a substantial registration count of 96 students, showcasing the anticipation and enthusiasm among the students for professional placements.

8 - Students Benefited

Eight students attended the campus drive, where they were evaluated based on their skills, qualifications, and aptitude for roles within the insurance industry. The drive served as a platform for students to interact directly with industry representatives, gaining insights into the expectations and requirements of the corporate world. The successful selection of several students underlined the positive outcome of the drive, indicating that students were able to translate their academic learnings into practical skills that are valued by employers.

A noteworthy aspect of the drive was the contribution of **SYBAF volunteers** who managed the registration counter and photography during the event. Their dedication and hard work added to the smooth conduct of the drive, ensuring that administrative tasks were handled efficiently.

In conclusion, the ONEINSURE campus placement drive fulfilled its objective of connecting students with job opportunities in the insurance sector. It highlighted the significance of such initiatives in preparing students for their professional journey, bridging the gap between academia and industry. The event's success echoed the college's commitment to fostering holistic education and career development among its students.
