The Placement Cell of JVM's Mehta Degree College is dedicated to bridging the gap between students and employment opportunities. In line with our commitment to provide quality career prospects for our students, a Campus Placement Drive was organized in collaboration with Tata Consultancy Services (TCS) on August 22, 2023, at the Seminar Hall of our institution. The campus placement drive by TCS was exclusively arranged for TY students from the batches 2020-21, 2021-22, and 2022-23. A total of 131 students registered for the event, showcasing their enthusiasm and aspiration to kick-start their careers in the corporate world. It's worth noting that 20 students took active participation in the placement drive.

The Placement Drive:

The placement drive commenced at 9:30 AM with a warm welcome to the TCS representatives and the participating students. The event began with a presentation by TCS, providing insights into the company's culture, job roles, and growth prospects. This was followed by a series of interviews, group discussions, and technical assessments to evaluate the students' skills and suitability for various positions. The students who attended the placement drive exhibited impressive professionalism and were well-prepared for the interviews and assessments. TCS recruiters were highly impressed with the talent pool and potential displayed by our students.

Volunteer Support:

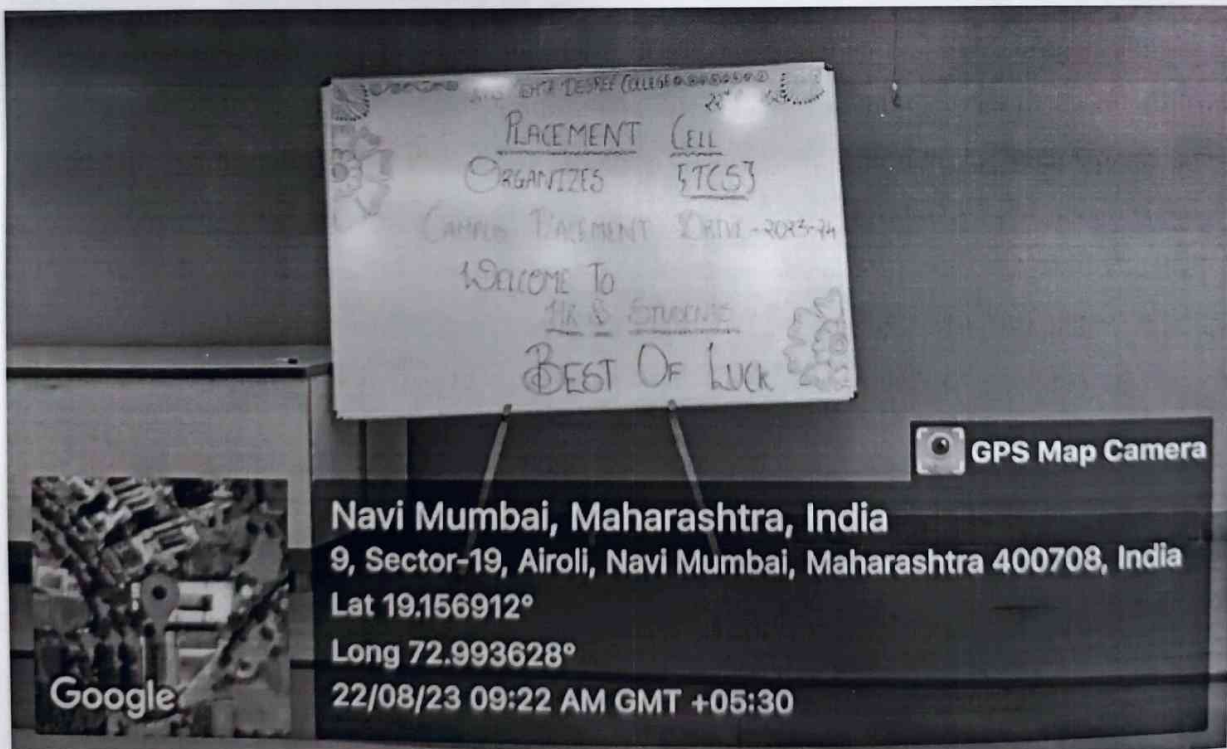

We are proud to acknowledge the invaluable support provided by the SYBAF students, who played a vital role as volunteers during the event. They enthusiastically assisted in tasks such as board writing, managing the registration counter, and ensuring the smooth flow of the event. Their dedication and hard work were instrumental in the successful organization of this placement drive.

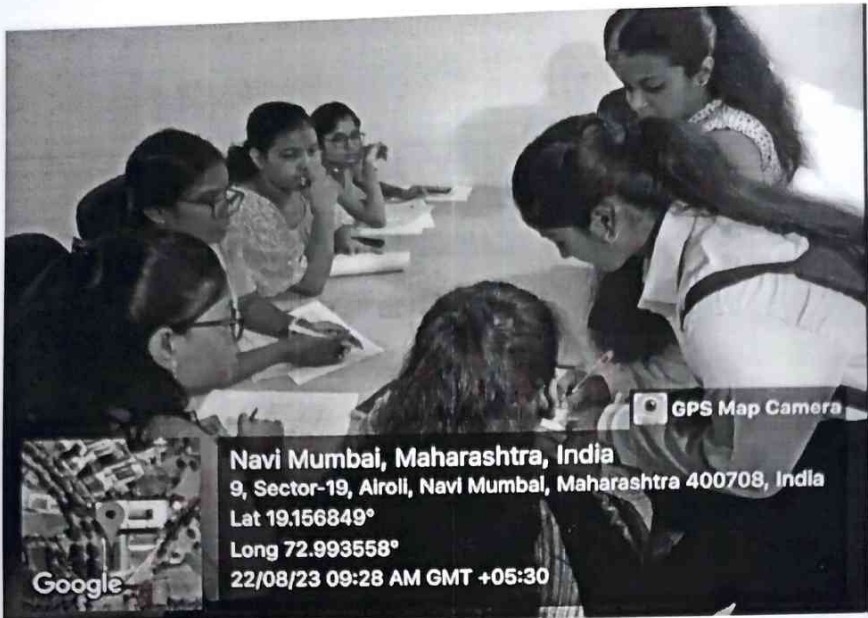

Conclusion:

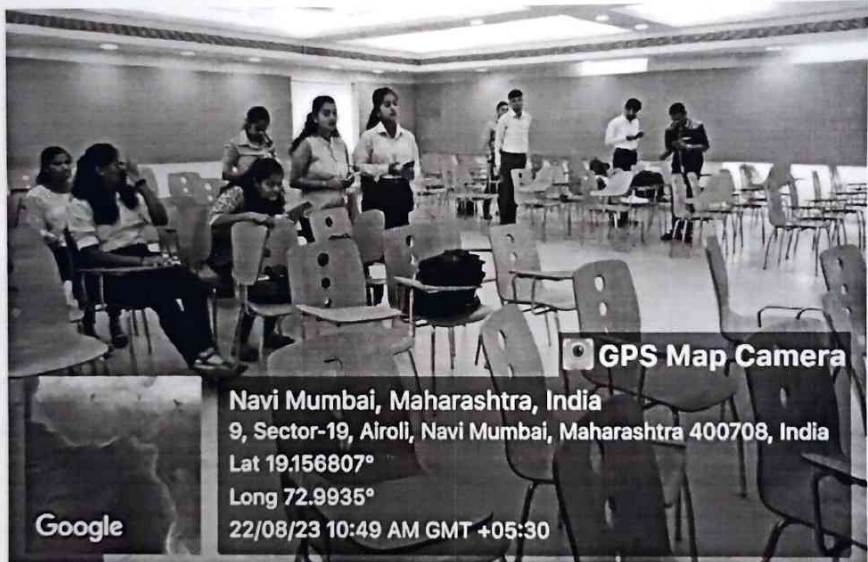

The Campus Placement Drive conducted through TCS on August 22, 2023, was a resounding success. It not only provided an excellent platform for our students to showcase their skills but also highlighted the dedication and commitment of the Placement Cell in fostering fruitful relationships with industry leaders. We extend our heartfelt gratitude to Tata Consultancy Services for their collaboration, and we look forward to more such productive partnerships in the future. We also acknowledge and appreciate the active participation of our students, volunteers, and faculty members in making this event a grand success. We eagerly anticipate the final placement results and believe that this event will motivate and inspire our students to excel in their careers.
