Orientation Cum Training & Placement Program

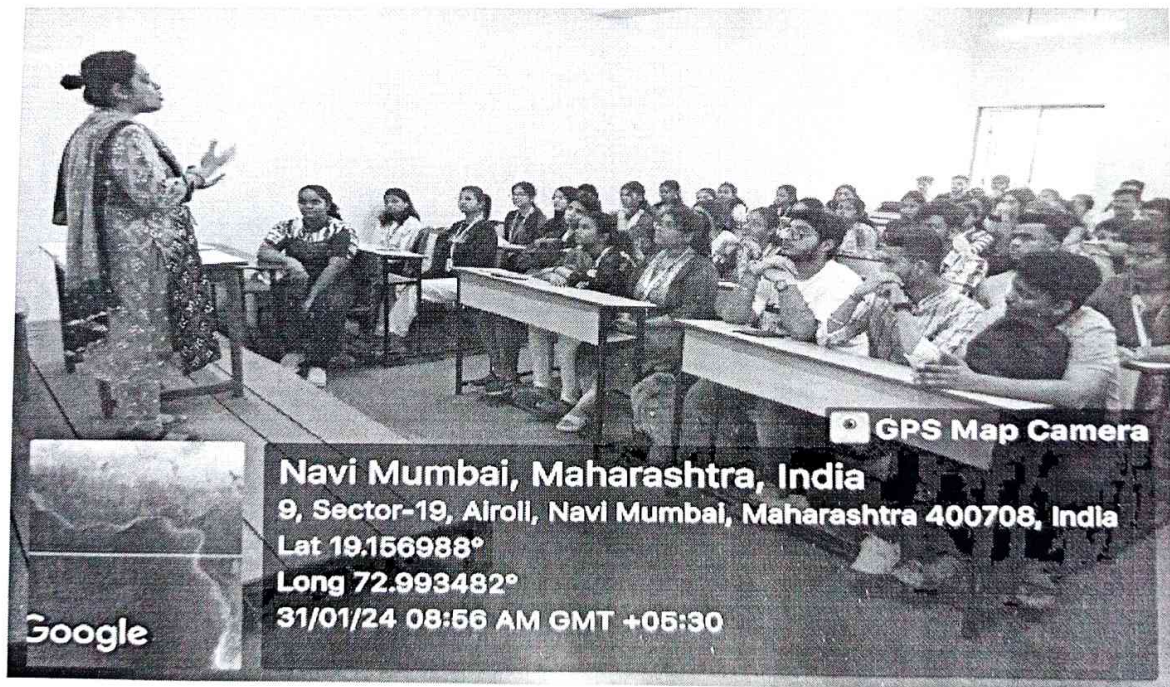

Report

Date: 9th January, 2024

Time: 8.00 a.m to 10.00 a.m.

Venue: classroom no S-11

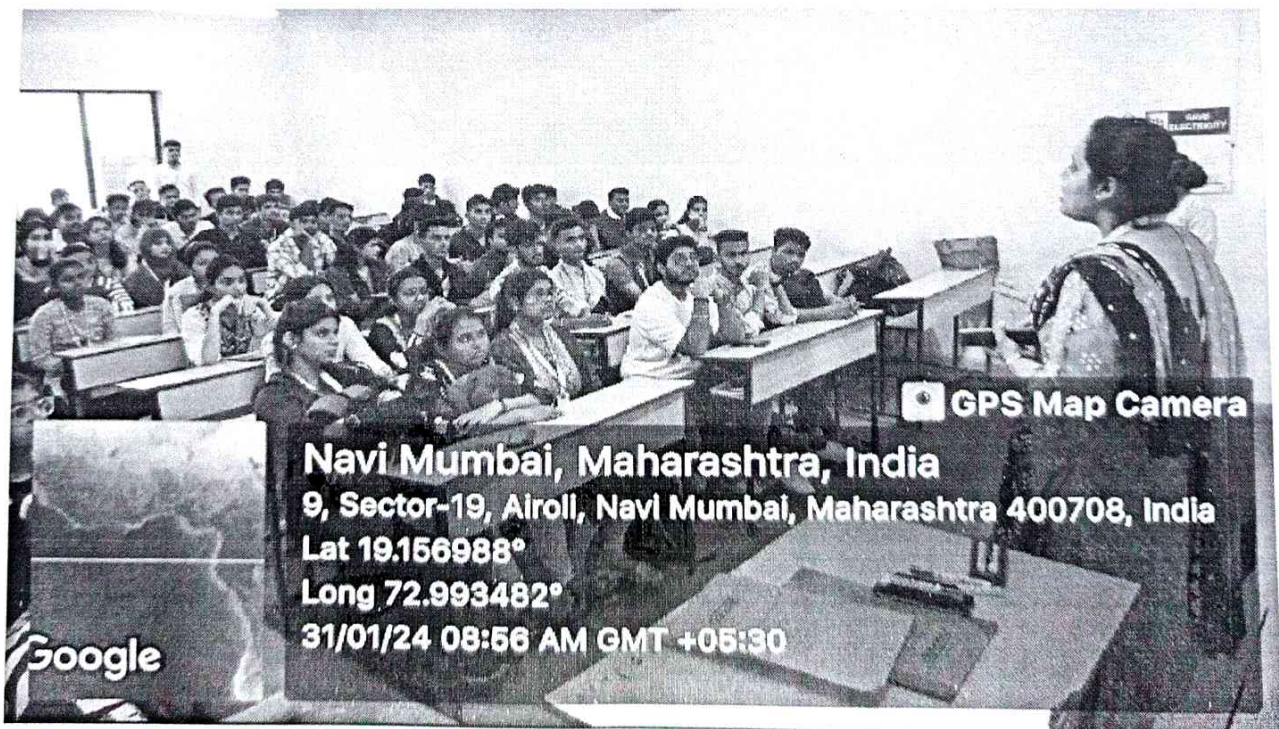

Objective: The primary objective of organizing the Orientation Cum Training & Placement program in collaboration with Anudip Foundation for TYBMS & TYBAMMC students is to prepare them for the challenges of the job market. By providing them with essential training and guidance, the aim is to enhance their employability skills and facilitate their transition from academia to the professional world.

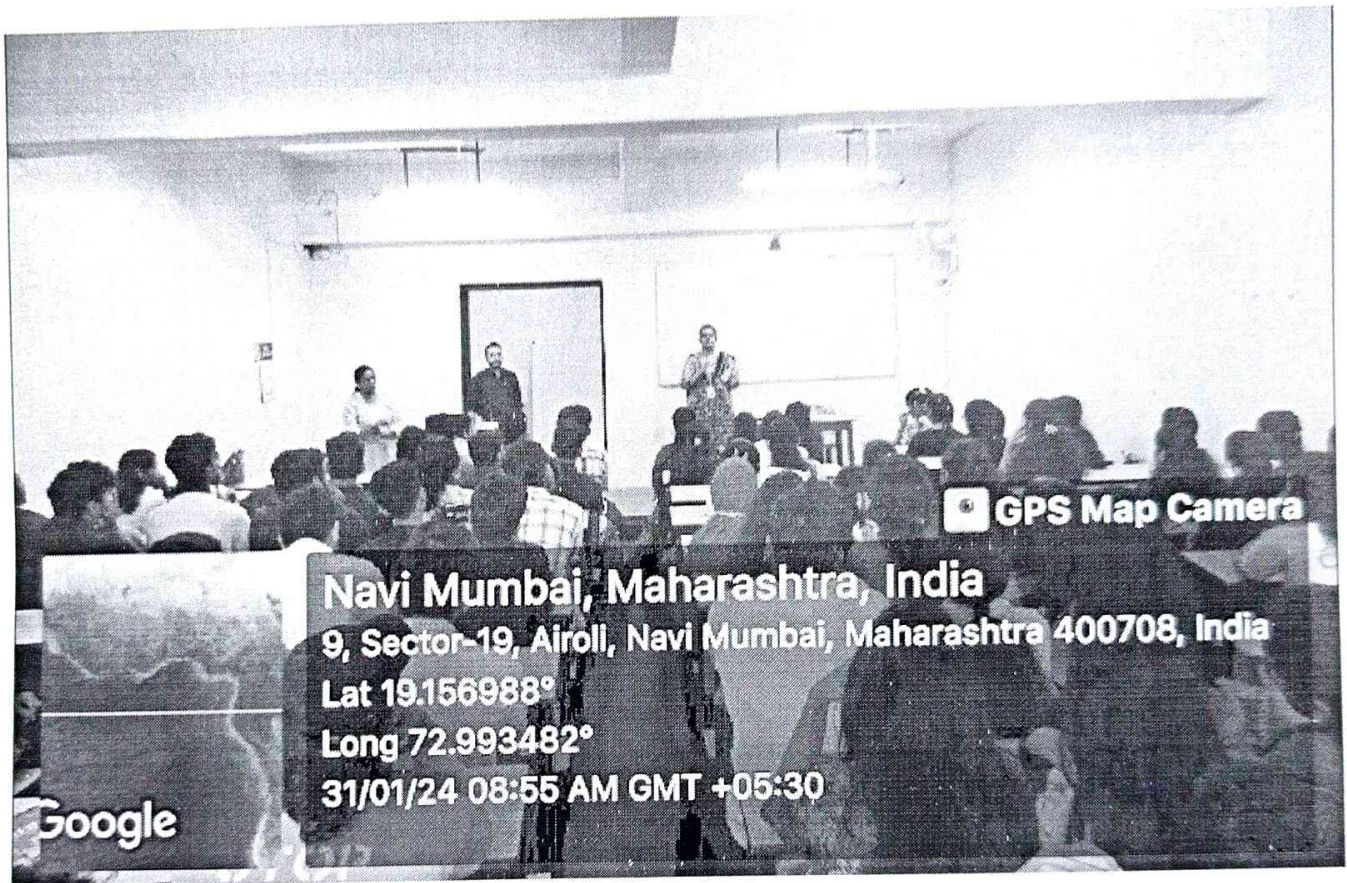

Need and Importance: In today's competitive job market, academic qualifications alone are often insufficient to secure employment. Employers seek candidates who possess not only the requisite knowledge but also the practical skills and professional acumen necessary to excel in their roles. Recognizing this need, the Placement Cell has partnered with Anudip Foundation to offer specialized training that equips students with industry-relevant skills and prepares them for the recruitment process. The program aims to enhance students' employability by providing guidance on resume building, interview techniques, and job search strategies, thereby increasing their chances of securing suitable placements. By empowering students with the necessary tools and knowledge, the program enables them to make informed career choices and pursue opportunities aligned with their interests and aspirations.

Outcome: The Orientation Cum Training & Placement program conducted on 9th January, 2024, witnessed active participation from 71 TYBMS & TYBAMMC students. The program comprised interactive sessions, workshops, and practical exercises designed to cater to the diverse needs and interests of the participants. Key outcomes of the program include:

- ❖ Guidance provided on resume writing and interview preparation enabled students to refine their resumes and present themselves effectively to potential employers.
- ❖ The program facilitated networking among students, faculty members, industry experts, and representatives from Anudip Foundation, fostering meaningful connections and potential avenues for collaboration and mentorship.
- ❖ Equipped with enhanced skills and knowledge, participants are better prepared to navigate the recruitment process and secure placements in reputed organizations, thereby enhancing their career prospects and future opportunities.

Summary: In conclusion, the Orientation Cum Training & Placement program organized in collaboration with Anudip Foundation for TYBMS & TYBAMMC students proved to be a valuable initiative aimed at bridging the gap between academia and industry. By focusing on skill enhancement, industry exposure, and placement assistance, the program has empowered participants to pursue rewarding career opportunities and contribute effectively to the workforce. Moving forward, continued efforts towards such initiatives will be essential in ensuring the holistic development and employability of students in today's dynamic job market.
