Dear Students and Parents,

We are pleased to inform you that the BBI and BAF department of JVM's Degree College is organizing a session on Social Security Schemes in India. The aim of this session is to educate our students, parents, and society members about the importance of social security schemes and the various schemes that are available in India.

The session is scheduled to be held on 27th August 2022, and we invite all interested students, parents, and society members to attend this informative session. The speakers for the session will be experts in the field of social security schemes, who will share their knowledge and insights on the subject.

We believe that this session will be extremely beneficial for all those who attend, as it will provide a comprehensive understanding of the various social security schemes available in India. It will also help individuals understand how they can benefit from these schemes and ensure their financial security.

We encourage all students, parents, and society members to attend this session and take advantage of this opportunity to learn about social security schemes. We are confident that this session will be an enriching experience for everyone.

Summary Report

on

Role of Entrepreneurship in Rural Development

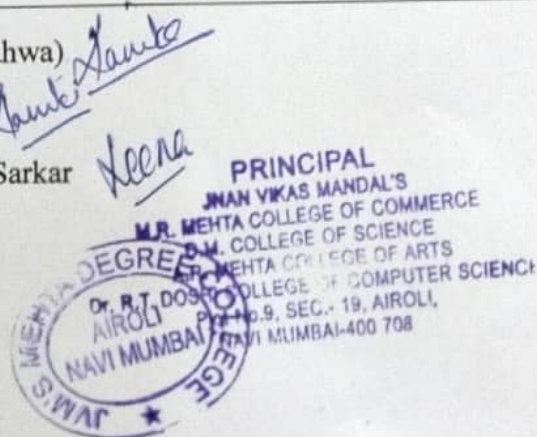

The villages are back bone of the nation. India's two third populations and 70% workforce residing in rural areas. People in rural areas are suffering with unemployment, poor infrastructure facilities which may be solved with the development of rural entrepreneurs. Rural entrepreneurship can be considered one of the solutions to reduce poverty, migration, economic disparity, unemployment and develop rural areas and backward regions. Rural entrepreneurs play an important role in the national economy, particularly in the rural development. But there are many problems in developing a rural enterprise because rural entrepreneurs are facing many problems like non availability of primary amenities in rural area, lack of education, financial problems, and insufficient technical and conceptual ability.

Keeping this in mind, for the academic year 2022-23, REDC organized a webinar on "Role of Entrepreneurship in Rural Development" on 25th March, 2022. The resource person Mrs. Akshata Waman, Social Worker highlighted the significance of Entrepreneurship in overall growth and development of rural areas and nation in whole. She highlighted how women can become entrepreneurs and earn their livelihood. The participants included students and their parents. In addition, the speaker motivated participants to explore untapped rural resources and prospects available in the zone. Overall, REDC successfully organized the seminar and participants benefitted from it.

Session on "Mutual Funds- Benefits from Phone Pe"

Report:

Date: 14/02/2023

Venue: S- 7 Class Room

For the FYBAF students of Jnan Vikas Mandal Degree College, Airoli, a session on "Mutual Funds- Benefits from Phone Pe" was organized. Asst. Prof. Ashutosh Sharma from the Department of BBI & BAF led the session. The lesson's goal was to inform the students on the advantages of using the Phone Pe app to invest in mutual funds. The session began with an overview of mutual funds, including the several types that are available on the market. It also covered the benefits of investing in mutual funds, including diversity, expert management, and liquidity. The Phone Pe app and how it may be used to invest in mutual funds were explained to the students. He spoke on the ways to use the app to invest in mutual funds as well as its features that make it simple and practical for users. The many mutual fund kinds that are offered on the Phone Pe app were also explained to the students, along with how to pick the best mutual fund depending on their investing objectives and risk tolerance. Overall, the session was quite educational and engaging. The students were actively engaged in the discussion and raised pertinent queries to get their questions answered.

Objective:

The objective of the session was to inform the students of the advantages of investing in mutual funds and show them how to utilize the Phone Pe app to do so. The aim was to provide students

with the fundamentals of mutual funds and information on how to start investing in them using a simple mobile app.

Need:

People must invest their money wisely and effectively in the fast-paced society we live in today. For people who desire to engage in the stock market but lack the knowledge or experience to do so, mutual funds offer a great alternative. By offering a simple platform, the Phone Pe app makes it simpler for people to invest in mutual funds. As a result, it was necessary to inform the students about the advantages of using the Phone Pe app to invest in mutual funds.

Summary

For the FYBAF students at Jnan Vikas Mandal Degree College, Airoli, a seminar on "Mutual Funds- Benefits from Phone Pe" was held. The lesson's purpose was to inform the students of the advantages of investing in mutual funds and show them how to utilize the Phone Pe app to do so. The fundamentals of mutual funds, the benefits of investing in mutual funds, and the functions of the Phone Pe app that makes it simple and practical for investors were all covered by the speaker. The pupils actively engaged in the discussion and raised pertinent queries to get their questions answered.

Outcome

The purpose of the "Mutual Funds- Benefits from Phone Pe" session, which was to inform the students about the advantages of investing in mutual funds via the Phone Pe app, was successfully attained. Through the application, the students were able to better comprehend mutual funds and how to begin investing in them. The lesson also promoted the value of making wise and effective investments, which will help students in their future financial planning.
