**Personality Development program conducted by American India
Foundation (NGO) for girls students on February 10th, 2023.**

Report:

Objective:

The objective of the Personality Development program was to help girl students enhance their personal and professional skills and to equip them with the necessary tools to succeed in their careers and personal lives. The program aimed to build self-confidence, improve communication skills, develop career goals, and enhance self-awareness among the students.

Need:

In today's competitive world, it is essential to have strong personality traits to excel in personal and professional life. The Personality Development program for girls students was organized to help them identify their strengths and weaknesses and work on their personality development. The program was designed to provide a platform for the students to learn, grow, and develop into confident individuals who can take on the world.

Outcome:

The Personality Development program was a huge success, with a total of 296 girls attending the session. The program covered various topics such as the importance of communication, career goals, and self-awareness. The speaker for the session was Miss Meera Kaliyaperumal, who is a renowned personality development coach and motivational speaker. The students found the session to be highly informative and engaging. They were able to understand the importance of effective communication and how it can impact their personal and professional lives. The students also learned how to set realistic career goals and work towards achieving them. They were able to develop a better understanding of their strengths and weaknesses, which will help them in their personal and professional growth.

The program was well-organized, and the students had the opportunity to interact with the speaker and ask questions. The students received certificates of participation at the end of the program, which will add value to their resume and highlight their commitment to personal and professional development.

Summary:

In summary, the Personality Development program for girl's students conducted by American India Foundation was a great success. The program provided a platform for the students to learn and develop their personality traits, which will help them in their personal and professional lives. The session covered various topics such as communication, career goals, and self-awareness. The students found the session to be highly informative and engaging, and they received certificates of participation at the end of the program. Overall, the program was a great opportunity for the students to enhance their skills and take a step towards their personal and professional growth.
